Serial No. 36

Letter no. 515-9/261-08 dated 29th March from the Secretary to the Resident in Mysore forwarding, in original, the letter from M.L. Nagarajah, Managing Director, All India Mutual Aid and Bonus Houses Assoc Ltd. Mysore addressed to the Chief Secy. to the Govt of India, and enquiring if the Association has been incorporated under the Mysore Companies Regulation, &c.

The question of issuing a revised prospectus, omitting certain objectionable portions, is now before Govt. and the Association has been given about three months' time to decide the question. As regards the query whether the Association has been incorporated under the Mysore Companies Regulation, it is stated that it was registered on 8th July 1926 (vide letter no. 4543/26 July 1926 from the Registrar of J.S. Cos. to the Chief Secy.).

Chief Organiser for the appointment of an Official Trustee to hold first securities on behalf of the Association might be granted.

It will be seen from the Notes on file word of 1927 that we were of opinion that the Association was a swindle, and that the Chief Organiser's attempt to associate first in any manner however remote with its operations was ~~prompted by a desire~~ calculated to create a false sense of security in the public mind. In this view, we not only declined to have anything to do with the business, but also issued a communique ~~[illegible]~~ to warn the public.

I think we ~~[illegible]~~ might inform the Residency, confidentially that the Association has certain objectionable features, among which is that it offers opportunities for practising on the credulity of people, and that the Regime first declined in this case to be associated with it in any way, to avoid creating a sense of false security among
